LATEST NEWS 7TH & 8TH May 2021

Yesterday, we had an online meeting with the event co-ordinator at the hotel. We are quietly confident that with another six months, a vaccine on the near horizon and covid-19 controlled measures in place we could now run the Prologue tour.

We will have another update in the new year.

Many thanks for your continued understanding.

A NEW DATE Friday 18th & Saturday 19th June 2021

We have been informed by the hotel, that the Tour de France organisation have changed their route from Denmark and dates... Now one week earlier. The Grand Depart is now Brest in Brittany, the 2nd stage is passing through Tréguier which is our hotel location. The traffic congestion and road closures would have been impossible to manage.

Now we will be able to use the same lovely routes for the first day from the Start at the Café Bar Chateaubriand, adjacent the Barrage de la Rance, La Richardais, not too far from the ferry port in St Malo through to the 4* Hotel and Spa, Aigue Marine, at Treguier on the Pink Granite Coast.
